ABSTRACT

There is no doubt that English has become a universal language (Sh.M.Mirziyoyev).

Why English language is more important for students and plays an essential role in our lives as it helps in communication? It is the main language for studying any subject all over the world. English is important for students as it broadens their minds, develops emotional skills, improve the quality of life by providing job opportunities.

Keywords: difficulties, teaching, speaking, English, technological institutions.
