ANNOTATSIYA

Bilamizki, yurtimizda ilk renessans davrida, til va adabiyot ancha rivojlandi. Respublikamiz hududlarining turli joylarida har xil shevaga xos so‘zlar shakllana boshladi. Ushbu maqolada Surxondaryo va Qashqadaryo viloyatining dialekt va etnografikalarini yaxlit o‘rganish va uning muammolari haqida so‘z borgan.

Kalit so‘zlar: Dialekt, lingvokulturologiya, etnolingvistika, sheva, lahja.

ABSTRACT

We know that during the first Renaissance in our country, language and literature developed significantly. Different dialects began to appear in all regions of the country. This article deals with the integrated study of dialects and ethnography of Surkhondaryo and Kashkadarya regions and its problems.

Keywords: Dialect, lingvokulturologiya, ethnolinguistics, “sheva”, “lahja”.
