ANNOTATSIYA

Maktab va oliy o`quv yurtlarida o`zbek mumtoz adabiyotini so`z san`ati sifatida o`rganishga o`tilishi har doim dars jarayonida, darsdan tashqarida, darslar davomida badiiy mahorat masalalarini kengroq va chuqurroq tahlil qilishni taqozo etadi. Ko`p asrli mumtoz adabiyotimizning bezavol hazinasini yaratgan atoqli shoir va yozuvchilarimizning san`atkorlik salohiyatlari sehrinin kashf etish uchun ular yozgan asarlardagi badiiy san`atlardan atroflicha ma`lumotga ega bo`lish talab qilinadi. Bu ayniqsa, oliy o`quv yurtlari va maktablarning til adabiyoti o`qituvchilari, talabalari, o`quvchilari uchun nihoyatda zarur deb bilaman. Ushbu maqolada ulug` mutafakkir shoir Alisher Navoiy ijodidagi badiiy san`atlarning ayrimlari haqida fikr yuritiladi, she`rlardan ayrim misollar keltiriladi.

STYLISTIC DEVICES IN THE CREATIVITY OF NAVOIY

ABSTRACT

The transition to the study of Uzbek classical literature as a word art in schools and higher educational institutions always requires a more extensive and in-depth analysis of the issues of artistic skill in the course of the lesson, outside the lesson, during the lessons. In order to discover the magic of the artistic potential of our outstanding poets and writers who created the bezavol treasure of our centuries-old classical literature, it is required to have a thorough knowledge of the artistic Arts in the works they wrote. I know that this is especially necessary for teachers of language literature, students, students of universities and schools. In this article we will talk about some of the artistic Arts in the creativity of the great thinker Alisher Navoi, some examples from poems are given.

Keywords: poetic arts, logic, elegance, irscholi masal, word of jami, exaggeration, rhyme, tajnis, tamsil, tanobus, diagnosis, tazmyn, tatabbu, husni talil.
