### ANNOTATSIYA

Ushbu maqola lingvistik terminlar tadqiqiga bag'ishlangan bo'lib, unda ona tili darsliklarida keltirilgan tilshunoslik terminlarining tarkibiy xususiyatlarini aniqlash, shakliy tuzilishini tavsiflash maqsad qilib olindi. Darsliklarda lingvistik terminlarning ifodalanishi: muammo va kamchiliklar o'rganildi. Terminlarning standartligini ta'minlash va modellashtirish, shuningdek, tarjima jarayonida ularning moddiy ko'rinishi muhim ahamiyat kasb etadi. Bu esa ilmiy terminologiya, terminografiya taraqqiyoti, terminologik korpus, terminologik ma'lumot bazalarini yaratishning asosiy shartidir.

### ANALYSIS OF THE FORMAL STRUCTURE OF LINGUISTIC TERMS

#### ABSTRACT

This article is devoted to the study linguistic terms, in which aims to identify the structural features of linguistic terms in the textbooks of the native language, to describe their formal structure. In the textbooks, the expression of linguistic terms: problems and short-comings were studied. Ensuring the standardization of terms, as well as their material appearance in the translation process is important. This is a prerequisite for the development of scientific terminology, terminography, terminology corpus and the creation of terminology databases
