ANNOTATSIYA

Ushbu maqolaning maqsadi bilimlarning lingvistik va uslubiy sohalaridagi ikkita muhim hodisani tahlil qilishda namoyon bo'ladi. Bunda allyuziya va interstekstuallik mavjud. Ushbu tahlil taqdim etilgan atamalar o'rtasida o'xshashlik yaratishga harakat qiladi, shuning uchun kerakli lingvistik taqqoslashlar olib boriladigan lingvistik maydonni tark etmasdan ularning yaqinligi, o'xshashligini ko'rsatishga harakat qiladi. Intertekstuallik hodisasini allyuziya kabi, matnning uslubiy qarindoshligi va tilshunoslikning boshqa sohalarini anglatadigan adabiy jihatdan ham o'rganish mumkin.

Kalit so'zlar: allyuziya, intertekstualizm, lingvistik va madaniy tahlil, mazmunli davomiylilik, tasvir-belgi, lingvistik transpozitsiya.

INTERACTION OF ALLUSION AND INTERECTUAL LINGUISTIC CONCEPTS

ABSTRACT

The purpose of this article is manifested in the analysis of two important phenomena in the linguistic and methodological fields of knowledge. There is an allusion and intertextuality. This analysis seeks to establish similarities between the terms presented, so as to show their similarity, similarity, without leaving the linguistic field in which the necessary linguistic comparisons are made. The phenomenon of intertextuality, like allusion, can also be studied from a literary point of view, which refers to the methodological kinship of the text and other areas of linguistics.

Keywords: allusion, intertextualism, linguistic and cultural analysis, meaningful continuity, image-character, linguistic transposition.
