ANNOTATSIYA

Ommaviy axborot vositalari eng asosiy, qudratli va ta'sirchan mafkura vositasi ekenligi, oxirgi paytlarda informatsion hurujlarning tez-tez uyushtirilayotgani aslida urushga munosabatning o'zgarganligidan, qurolning yangi turi kashf qilinganidan darak beradi. Bu qurol - axborotdir. Bunday qurol yordamida olib boriladigan informatsion urushlarda insonning ongi va qalbi nishonga olinishi, internetdan foydalanish, bugungi kunda dunyoda terroristlar foydalanigan internet saytlar to'satdan paydo bo'lishi, axborot xurujlari hamda ularga qarshi kurashish yo'llari haqida.

Kalit so'zlar: Ommaviy axborot vositalari (televideniye, kompyuter, Internet, uyali telefon), axborot, terroristik tashkilotlar.

THE IMPACT OF THE MEDIA ON HUMAN AND SOCIETY LIFE AND INFORMATION ATTACKS

ABSTRACT

The fact that the media is the most basic, powerful, and influential ideological tool, and the recent increase in information attacks, is a sign that attitudes toward war have changed, and that new types of weapons have been invented. This weapon is information. Information wars with such weapons target the minds and hearts of people, the use of the Internet, the sudden emergence of Internet sites used by terrorists in the world today, information attacks and ways to combat them.

Keywords: Mass media (television, computer, Internet, mobile phone), information, terrorist organizations.
