ANOTATSIYA

Maqolada innovatsion pedagogik texnologiyalarni joriy etish xususiyatlari ko'rib chiqiladi. Ta'limning interfaol shakllaridan foydalanish xususiyatlari ko'rsatilgan. Innovatsion texnologiyalarni joriy etish dinamikasi aniqlandi. Ta'limning interaktiv shakllari va axborot-kommunikatsiya texnologiyalaridan foydalanish monitoringi olib borildi. Ta'lim amaliyoti va ta'limda innovatsion texnologiyalardan foydalanishning interfaolliigi va samaradorligi ochib berildi.

Kalit so'zlar: innovatsion ta'lim texnologiyalari, innovatsion klaster usuli, interfaol ta'lim, axborot-kommunikatsiya texnologiyalari.

IMPROVEMENT OF EDUCATIONAL TECHNOLOGIES IN HIGHER EDUCATION INSTITUTIONS WITH THE INNOVATION CLUSTER METHOD

ABSTRACT

In article, features of realization of innovative pedagogical technologies are considered. A feature specified of use of interactive forms of education. Dynamics revealed of introduction of innovative technologies is. The research conducted is of use of interactive forms of education and information and communication technologies. The interactive nature and effectiveness of use in educational practice and education of innovative technologies reveals.

Keywords: innovative educational technologies, innovative cluster method, interactive tutoring, information and communication technologies.
