### ANNOTATSIYA

Mazkur maqolada dunyo siyosatida tobora muhim ahamiyat kasb etib borayotgan islom omili haqida so‘z boradi. Xususan, zamonaviy xalqaro munosabatlar tizimida musulmon mamlakatlarning kollektiv subyektivligiga doir yondashuvlar ko‘rib chiqilgan. Musulmon dunyosidagi demografik o‘shish, migratsiya, xalqaro islomiy tashkilotlar faoliyati yoritilgan. Islom sivilizatsiyaning bugungi holati, G‘arb va musulmon olami o‘rtasidagi qarama-qarshi tendensiyalar tahlil qilindi.

**Kalit so‘zlar:** islom omili, G‘arb, sivilizatsiya, din, demografik o‘shish, musulmon mamlakatlari, migratsiya, xalqaro islomiy tashkilotlar.

## CONTEMPORARY TRENDS IN THE DIALECTICS OF THE WEST AND THE MUSLIM WORLD

### ABSTRACT

This article surveys the Islamic factor, which is becoming increasingly important in world politics. In particular, the article considers approaches to the collective subjectivity of Muslim countries in the modern system of international relations. It highlights the demographic growth in the Muslim world, migration and the activities of international Islamic organizations. The current state of Islamic civilization and contradictory trends between the West and the Muslim world are analyzed.

**Keywords:** Islamic factor, West, civilization, religion, demographic growth, Muslim countries, migration, international Islamic organizations
