ANNOTATSIYA

Maqolada gapning nominativ aspekti uning kommunikativ jarayonda qo‘llanilishi haqida. Mualliflar nominativ ma‘no so‘zlovchining illokutiv rejasi bilan bevosita aloqador holda shakllanishini aytib o‘tdi. Agar illokutiv rejani so‘zlovchining fikr ifodalashidagi maqsadi deb tushunsak, u holda nominativlik va kommunikativlik tushunchalarining uzviy munosabati yanada yorqinroq ko‘zga tashlanadi.

Kalit so‘zlar: gap, nominativlik, propozitsiya, denotat, referent, predikativlik.

ABSTRACT

This article deals with nominative aspects of the language and its communicative features, also all units of language and their interrelations. The authors also investigate the speaker’s locative’s act which connected with nominative meaning of a sentence.

Keywords: sentence, nominatives, proposition, denotation, referent, predicative.
