ANNOTATSIYA

Bugungi kunda kompetensiyaviy yondashuv asosida ta‘lim berish sharoitida o‘qituvchilarning o‘z faoliyatiga yondashuvi ham o‘zgarishi kerak. O‘qituvchi bundan buyon darslik bilan birgalikda o‘quvchilarga – “ob‘yektiv bilimlarni” yetkazuvchisi bo‘lib qolmaydi.

Kalit so‘zlar: boshlang‘ich sinf, matematika, darslik, davlat ta‘lim standarti, kompetensiya, darsliklar.

ABSTRACT

In today’s context of competency-based learning, the approach of teachers to their work must also change. The teacher will no longer pass on "objective knowledge" to students along with the textbook.

Keywords: primary school, mathematics, textbook, state educational standard, competence, textbooks.
